Building bridges between housing
and health

Dr Gareth Morgan
Bevan Exemplar Holder

Introduction

My interest in this & journey so far...

Public health and housing is key

Bevan Exemplar : Brief overview

The challenge.....

Context of a cost of living rise

Impact on the NHS and partners

Cold weather 'winter' pressures

What can we do.....

Good practice guide developed

Community of Practice

Promotes reflective practice

Could have beneficial impact

What can we do.....

What more can we do.....

Reach out to our communities

Public service broadcasting

Also for the staff who deliver services

Key timescales.....

Bevan Exemplar status last year

Community of Practice convened

Good practice developed...and tested %

Product launch September – next steps?

Closing remarks

Wealth and health are linked

Opportunity to prepare for winter

Help reduce service pressures

Role of partners and some feedback
