Commercial Partner Package

2026/27

Why partner with Community Housing Cymru?

We are the gateway to Housing Associations in Wales. We represent and support 30 Housing Associations, with a shared ambition of providing homes: for every future.

We are experts in the Welsh housing sector. We support our members and partners around policy, lobbying, campaigns and advocacy. We are the trusted experts in all aspects of Welsh housing.

Our members provide over 170,000 social homes¹. They generate £1.45bn GVA, support 37,000 direct and indirect FTE jobs and invest £28m directly into community regeneration and tenancy sustainment.²

Our members are highly engaged with our offer across the year – including conferences, virtual sessions and Member Community meetups

3k

We have access to senior decision makers, such as chief executives, boards members, directors and heads of service within the industry. With over 3,000 senior leaders working with us each year.

Our members are independent, not-for-profit organisations that deliver vital services and provide affordable housing across Wales – supporting this sector supports Wales.

This isn't just a partnership with CHC it is building a partnership with the housing sector in Wales.

Testimonials:

What our partners say

“The partnership we've had with CHC has been immense for Quantum. It's allowed us to continue our partnership with all the housing associations within Wales, keep our profile with them, and just engage, communicate, and keep our friendship with the whole sector.”

Stuart Price, Partner and Actuary, Quantum Advisory

“We work in collaboration - we have regular contact about what we can do to support the sector. It's a great one for us and I would definitely recommend it to any supplier or business thinking about joining. It's a really good partnership.”

Jackie Leonard, Head of Member Services (Wales), CHIC Ltd

“The relationship with CHC is really important to us. We're all here to do the same thing for the sector, which is to provide the maximum support, create more efficiencies and help organisations to work better together, and that's where I think Barcud Shared Services and CHC work really well together. We've had better access to the different groups of people that we wouldn't necessarily have been able to get in front of.”

Nigel Ireland, Chief Executive Officer, Barcud Shared Services

“Centrus has worked with CHC for a number of years. That relationship allows us to have a dialogue across the sector, so when sector-wide issues occur, it's a central focal point for discussion. It allows us to have a considered view of the whole sector in one place and communicate with members efficiently about things that are pan-Wales. Not only are you supporting the voice of the sector, which I think is incredibly important at the moment, but you're also supporting a forum that allows the sector to speak with one voice. We think [a commercial partnership with CHC] is a very straightforward value for money question.”

John Tattersall, Managing Director, Centrus Advisors

What's included?

This package will keep your organisation embedded in the Welsh Housing sector. Raising your brand awareness, showcasing your products and services and showing your support for the sector.

- Premium location exhibition stand space at three in person conferences throughout the year (worth £4,500)
- Two delegate places at three conferences per annum for the entire event, including the conference dinner (worth £2,760)
- Member rate tickets for any additional conferences places booked (30% discount)
- Annual bespoke State of the Nation briefings, giving you the latest in Welsh Housing directly to your organisation from a senior member of the CHC team with Q&A (worth £2,000)
- An annual insight session with a member of the CHC policy and external affairs team on a topic of your choosing (worth £1,500)
- Listed as Commercial Partner Member on CHC website and exclusive use of “CHC Commercial Partner” logo (worth £1,000)
- Your branding included in all conference webpacks, signage and slide decks (worth £500)
- Option to support a pre-conference dinner, conference lunch, breakfast briefing or drinks reception, including a 15 minute speaking slot (Commercial Partners to cover food and drinks, limited to one per year) (worth £2,000)
- Minimum of two dedicated ‘Make the most of your membership’ meetings per year
- Option to showcase your expertise in key topics through our virtual ‘spotlight sessions’

The total package is worth £14,260 exc VAT
