Are you a member?

If you work for a housing association in Wales as staff or a Board member, then you are considered a member and can access the majority of content and discounted ticket prices. Just create your account and register.

If you do not have a log in, you can [create an account here](#). Having an account also means that you will be able to subscribe to our mailing lists, register for free events (SDGs, spotlight sessions, webinars) and book on to paid events such as conferences and training. Please note that accounts will need to be validated by a member of the CHC team and this process may take up to 24 hours.

If your email address isn't recognised, it may be that you created an account on our old site. As user information was not transferred to the current website due to GDPR considerations, you will need to create a new account.

Register an account

By registering on CHC's website, you consent to Community Housing Cymru contacting you with information and direct marketing on policy updates, consultations, campaigns, events, publications and other services provided for the benefit of members.

Once registered, please allow up to 72 hours for CHC staff to review your account and assign appropriate categories. Some restricted content or pricing may be unavailable during this time.
