

The background features abstract, overlapping geometric shapes in various shades of green, ranging from light lime to dark forest green. The shapes are primarily triangles and polygons, creating a dynamic, layered effect. The text is centered in the white space between these shapes.

Newydd: Loan I.T. project

What Newydd offer our tenants

Tenants who are serious about developing skills in computing and going online are encouraged to take up Newydd's **Loan I.T. project**.

The project looks to lend digital devices (laptops, tablets, dongles) to build tenant confidence.

Tenant which show an interest in purchasing the digital device once the loan period has ended are encouraged to set up Credit Union account and pay weekly amounts into as a way of saving for the device.

Referral process

Tenant expresses interest in borrowing digital equipment

Tenant meets minimum requirement of digital dropin to be eligible

Hand over of digital equipment and inform tenant of local saving options

Encourage tenant to bring digital device to dropin

End of project evaluation

If tenant signs up to Credit Union

Newydd deposit £20

Impact Loan I.T. project has made

- 100% of clients said they increased their confidence on a digital device
- 100% of clients said they were able to access the internet regularly
- 75% of tenants purchased laptop, tablet or smartphone after participating in Loan IT project
- Job Centre staff highlighted tenant's on UJM applied for more jobs as a result of loaning digital device

Don't take our word for it... this is what our tenants have said

"I liked the fact that I could borrow a laptop and try things out at home, in my own time." Trevor

"From the first day I took the I.T. equipment home I could see massive improvements in my skills and confidence" Janet

"I don't need to rely on other family members to do my online shopping." Hazel

"Taking the laptop home allows me to learn in my own time."
Simon
